## RELAY FOR LIFE

CRMC has won the "Top Fundraising Business Team" award for the third year in row for the Relay for Life and American Cancer Society. We raised \$10,059.15! Thank you to all those CRMC employees and their family members who walked for this great cause! A special thanks to those of you who helped set up and clean up after the event! Let's do it again next year!

## CRMC AWARDED ACHD 2010 PRESIDENT'S CLUB AWARD

The Association of California Healthcare Districts (ACHD) 2010 President's Club Award went to CRMC this year. The President's Club Award is given to a hospital/healthcare district that has exhibited extraordinary efforts to improve the delivery of healthcare services to their community and who has improved the financial position of the District through strong and creative leadership. ACHD recognized that CRMC has displayed remarkable and innovative leadership skills and implemented many new programs and services, generating significant revenue at a time when many hospitals and healthcare institutions are experiencing a period of financial duress unprecedented in history. This is a significant accomplishment for our facility, and all CRMC staff share in this achievement!

## CAFETERIA WILL NO LONGER SERVE BREAKFAST EFFECTIVE JULY 1, 2010

Due to the economic times and budgetary issues, the Dietary Department will no longer serve breakfast in the Cafeteria effective July 1<sup>st</sup>. CRMC must adjust to the economic downturn like any other business and changes must be made accordingly. Thank you for your patience and understanding.

## EMPLOYEE OF THE MONTH

Congratulations to June Employee of the Month, Sylvia Urbina, File Clerk in Patient Financial Services. Sylvia has been with CRMC since 1992! She started in Housekeeping and went to Admitting, finally landing in PFS where she is currently. Sylvia provides excellent customer service and is always helpful, handling people with great courtesy. Sylvia is often called upon to step outside her scope to provide interpreting services, which is greatly appreciated. Sylvia is particularly good when dealing with a difficult patient, by calming them down and explaining their bill. Sylvia takes a lot of pride in her work and knows how important being professional is to her position and CRMC. Congratulations and thank you Sylvia!
